Reasons for allowance

1. This communication is in response to the communications filed 09/22/2005 in the application of Olaf for an " INTEGRATING COMMUNICATIONS NETWORKS" filed 08/10/2000. This application is a national stage entry of PCT/IB98/02032 International Filing Date: 12/03/1998. This application claims foreign priority based on the application 9725659.8 filed December 03, 1997 in UNITED KINGDOM. This application is a Request for Continued Examination (RCE) under 37 C.F.R. 1.114 filed on September 22, 2005. The proposed amendment to the claims and response have been entered and made of record. Claims 1 and 33-34 have been amended and claims 35-36 have been added.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

3. The application has been amended as follows:

IN THE CLAIMS:

I. Cancel the withdrawn claims 30-32.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

Art Unit: 2665

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Claims 1-26, 33-36 are allowable as evident by applicant's amendment (Claims are renumbered as 1-33 respectively).

6. The following is an examiner's statement of reasons for allowance: The instant application is deemed to be directed to a non obvious improvement over the prior art of record. The improvement comprises first radio transceiver means for transmitting and receiving in a first mobile communications network and arranged such that successive transmission by the first transceiver means in the first mobile communications network are separated by a first period of time; and a second radio transceiver means for transmitting and receiving packets in the second radio communications network, arranged for transmitting and /or receiving an integer number of packets sequentially in the first period of time wherein the first radio transceiver is operable: to transmit in the first mobile radio communications network while, at the same time, the second radio transceiver is operable to receive in the second radio communications network; and/or the first radio transceiver is operable to receive in the first mobile radio communications network while, at the same time, the second radio transceiver is operable to transmit or receive in the second radio communications network, as recited in the claims.

7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

Art Unit: 2665

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

8. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Man U. Phan whose telephone number is (571) 272-3149. The examiner can normally be reached Monday through Friday from 6:00 am to 3:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Huy Vu can be reached on (571) 272-3155. The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the Group receptionist whose telephone number is (571) 272-2600.

9. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
